A Note from the Principal

Welcome to the upcoming 2015-2016 school year! As we close out the prior year, planning and providing our students with phenomenal learning opportunities in the areas of academics, the fine arts, athletics and other extracurricular activities is currently happening as summer leads into our fall semester. We truly appreciate the great support we receive from our parents and our community which are critical to the ongoing successes of Martin High School. As we start this next year, please pay special note to the Martin High School website which we keep updated with athletics, fine arts, clubs, organizations and academic events, performances and this year, we will also include STEM Academy news. Please also sign up on the Martin twitter account, which gives our students, staff, and parents a daily update of the versatile and complete happenings here at MHS.

As principal, I am proud to inform you that your student attends a high school steeped in tradition and excellence. It is noteworthy to share with you that Martin continues to make strides in all areas of standardized testing, with outstanding outcomes in Algebra I, English I and II, biology, and United States history for the spring 2015 administration of the STAAR End of Course Tests. Each year, our student outcomes continue to improve. We are fully committed to providing your student/s with the best education possible with the goal that **ALL** Martin graduates are career and college ready. Of special note, Martin High School was recognized as a top ten school in the **UIL Lone Star Cup for 6A high schools** for a fourth year in a row for the 2014-2015 school year. This is a prestigious award considering there are over 267 6-A high schools in the state and we ranked **third** overall – a major accomplishment. This ranking is based on performance outcomes in UIL academic, athletic and performance competitions.

Arlington INDEPENDENT SCHOOL DISTRICT *More Than a Remarkable Education*

Please know that if you are new to Martin, either a student or a parent, we have an open door policy. This newsletter will help you to identify your assistant principal, counselor, and attendance clerk who are here to assist you and your student. As a professional learning community, through a collaborative process, we work to heighten and enhance the learning experiences of all of our students. We also believe that ongoing communication between the school and home is critical to our students' successes. To that end, we currently use a call out system, our website, the PTSA Newsletter, the marquee, twitter, and ongoing parent meetings. We encourage you to always let us know how we can do better.

As we begin this new school year, I look forward to meeting each and every one of you and thank you in advance for sharing in our mission to create a safe, diverse and excellent educational experience for our students.

MARTIN WARRIOR BASEBALL

A CHAMPIONSHIP TRADITION

Be sure to stop by the Martin Warrior Baseball table during **FIRST EVENT** and check out our awesome selection of spirit wear for ALL! Sizes go fast so come by early! And don't forget to visit our Concession stand in the cafeteria. It's a great time to sign up for your Booster club membership. Hope to see you there! **GRAND SLAM**, our annual kick off and first Booster Club meeting for Baseball will be held, Wednesday, August 26th at 7pm at Warrior field. Come learn about up & coming events! Be sure to check out our website for updates: www.martinbaseball.com as well as Facebook and Twitter!

We want to congratulate our Varsity team for becoming State 6A Finalists and to all our Martin Warrior 2014-2015 Baseball teams for a great season. We would also like to congratulate our very own Coach Culbertson for obtaining his 500th win and for Coach of the Year. We invite you to a Spring Game as we defend our State Finalist title!!

Martin Boys Basketball battled through a tough season last year as we lost key personnel from the previous year as well as had season ending injuries to projected starters Conner L. and Landon B. With all that happening the boys still finished the year by advancing to the 2nd Round of the playoffs thanks to the leadership of Andrew D. Vic L. and Howard D.

The 2015-16 season has even more change. We welcome new Head Coach Clint Schnell to the program who will work with Coach Hall to challenge the guys to get stronger and come together as a team. We only have 2 starters returning in Junior Jalen P. and Senior Kameron M. However with the good health and return of Landon and Conner plus the experience received by Seth H., Amaury C. and Kesi M. the team should have an exciting season. We also have some talented players arriving from the JV ranks that will add leadership, size and talent to the group.

The players are all working hard this Summer in AAU ball plus putting in work at the school. The Warriors look to make some noise this year in the district and in the playoffs. We don't run from anyone as we played the top teams in the state last year and will again this year! On our schedule this season are the likes of defending 6A State Champs Plano West plus Desoto, North Crowley, Bowie and many more!

So when the season gets going in November come out and watch the Warriors play a fun and exciting brand of basketball and help root us on through district!

You can visit us at our booth during First Event and meet our coaches plus learn how you can be involved with the success of Martin Basketball. You can also follow us on Twitter @MartinWarriorBB and on our website at www.martinbasketball.com.

Dear parents of Class of 2016 seniors,

You will undoubtedly receive many solicitations to buy commemorative items recognizing your child's upcoming graduation, but few will retain the value of a senior tribute in the yearbook. The award-winning Phoenix yearbook is 375 pages of full-color, digital photos, incomparable memories and fabulous fun. Your child will cherish the yearbook because it is a magical ride into the past. Programs and senior pictures may end up in the garbage. **A yearbook lasts forever.**

Senior ads are purchased seperately from your yearbook order. To accommodate a variety of budgets, we offer several size options. A full page measures 9" x 12". You may order online at yearbookforever.com or in person. To order in person, follow the directions below.

When you complete the order form below, submit it and your picture selections. We do **not** accept original "hard copy" prints, only high-quality electronic images (at resolution of 300 dpi) submited by email. Please name each photo with a first and last name (Ex: Jonathon_Doe_1). Put your student's name in the "Subject" field of the e-mail and send to: mhsphoenixyearbook@gmail.com. **Ads are due by Friday, September 11, 2015** *(we have a strict* **no exceptions** *policy).*

Please contact me if you have any questions. I am eager to help make your son or daughter's senior year the most most memorable year ever!

Sincerely,

Erin Adwell
